The question of giving representation to the Tantrik Kamgar Union on various meetings at different levels and treating them as a defacto recognised union for technical workers was under active consideration of the Board for quite some time, and with this view the Board had resorted to verification of their membership as submitted by them. The verification of their membership is in progress. Meanwhile it has been decided after bilateral discussions with the representatives of Tantrik Kamgar Union to give such representation to the T.K.U. at all levels for representing the problems/ grievances of the technical workers. In view of this the field officers should invite the specified number of representatives of the Tantrik Kamgar Union for the grievance meetings on par with other Federations of Workers at all levels. It is further to clarify that the representatives of the Tantrik Kamgar Union will be held eligible for T.A. and D.A. as per rules whenever they are called for such meetings alongwith other Federations of Workers.
