Sub: Proper utilization of the Junior Engineers (Dist).

It is seen from the report generated from the HRMS System that, Junior Engineers (Dist) are not posted against the sanctioned posts and services of the employees working as Junior Engineer (Dist) are utilised without observing the sanctioned strength. This issue was already communicated to you through independent letters for all Zones. However, except KOPZ Kolhapur & BMTZ Baramati, no response is received from any Zone till today.

Now, MPR Cell has analyzed this issue in deep. MPR Cell has prepared three statements as detailed bellow.

- 1) Statement "A" is showing the details of Section Offices in all Zones where services of the Junior Engineer (Dist) are utilised though the posts of Junior Engineer (Dist) are not sanctioned on the establishments of these Section Offices and their salary is admitted against Surplus Positions. Further in 06 Section Offices, services of the Junior Engineers are utilised in excess of sanctioned strength. In all 217 Surplus Positions are in utilization for these unauthorized postings.

Please explain the circumstances in which your office has posted excess manpower and being continued for prolong time.

- 2) Statement "B" is showing the details of Sub Divisions where services of the 58 Junior Engineers are utilised in excess of sanctioned strength and their salary

is admitted against Surplus Positions. In 07 Sub Divisions, in spite of regular vacancy, employees have tagged to Surplus Positions, thereby, 07 Surplus Positions have unnecessarily blocked.

Sub Division wise reasons for such excess posting be elaborated.

- 3) Statement "C" is showing the details of Divisions/Circles/Zones where services of the 42 Junior Engineers are utilised in excess of sanctioned strength and their salary is admitted against Surplus Positions. In 18 offices, in spite of regular vacancy, employees have tagged to Surplus Positions, thereby, 18 Surplus Positions have unnecessarily blocked.
- 4) In short, these offices are utilizing the Junior Engineers (Dist) in excess to the sanctioned posts to their establishments and salary & wages are drawn by creating Surplus Positions. The said situation indicates vacancies of Junior Engineers (Dist) in one establishment and on other hand it creates Surplus Positions, which is undesirable. Further, it can also be seen that, Surplus Positions are created without justification and keeping the vacancies in the same Division/ establishment. It is sheer misuse of the available manpower as well as the provision of Surplus Positions. It is, therefore, decided to bring down the Surplus Positions at Zero level. Hence the Junior Engineers (Dist) must be posted only where the posts have been sanctioned.
- 5) As such, you may transfer such personnel against available vacancies & if vacancies are not available within your Zone, then report the matter to the undersigned with copy to the Executive Director (HR).

Above corrective measures are to be taken immediately and compliance is to be submitted before 31-05-2013.

This letter is being placed on intranet of MSEDCL and no hard copy will be sent to any office.
