Sub: Wrong utilization of the services of Jr. Operators.

It is seen from the report generated from the HRMS System that,

- 1) Offices under your Zone shown in the appended statement have utilizing the services of Jr. Operators at the establishments other than Sub Stations by keeping vacancies at Sub Stations. Posts of Jr. Operators are created only for the establishments of Sub Stations and the services of Jr. Operators must be utilized at Sub Station only. As such, concerned Circle Heads may be directed to transfer such personnel against vacancies at S/Ss under their control or you may transfer such personnel out of present Circle, if circumstances warranted.
- 2) Jr. Operators have been posted & working in excess of the sanctioned strength at some Sub Stations and Surplus Positions have been got created to draw their salary. This is sheer misuse of the services and also misuse of the facility of Surplus Positions. Concerned Circle Heads are to be directed to post such Jr. Operators against vacancies at S/Ss under their control or you may transfer such personnel out of present Circle, if circumstances warranted.
- 3) Though the vacant posts of Jr. Operator are available at the same Sub Stations, Jr. Operators have been tagged to the Surplus Positions. This is resulted in unnecessary blocking of Surplus Positions. Such employees must be tagged to the

regular vacancies and Surplus Positions must be vacant. This is to be rectified immediately.

Above corrective measures are to be taken immediately and compliance is to be submitted before 28-02-2013.
