Sub: Wrong utilization of the services of Technicians.

It is seen from the report generated from the HRMS System that,

- 1) Offices under your Zone shown in the appended statement have utilizing the services of Technicians sanctioned for the offices of other establishments. In short, these offices are utilizing the Technicians in excess to the sanctioned posts to their establishments and salary & wages are drawn by creating Surplus Positions. The said situation indicates vacancies of Technicians in one establishment and on other hand it creates Surplus Positions, which is undesirable. Further, it can also be seen that, huge Surplus Positions are created without justification and keeping the vacancies in the same Division/ establishment. It is sheer misuse of the available manpower as well as the provision of Surplus Positions. It is, therefore, decided to bring down the Surplus Positions at Zero level. Hence the Technicians must be posted only where the posts have been sanctioned.
- 2) Though the vacant posts of Technicians are available at the same establishments, Technicians have been tagged to Surplus Positions. This is resulted in unnecessary blocking of Surplus Positions. Such employees must be tagged to the regular vacancies and Surplus Positions must be kept vacant. This is to be rectified immediately.

- 3) As such, concerned Division/ Circle Heads may be directed to transfer such personnel against available vacancies under their control or you may transfer such personnel out of present Division/Circle, if circumstances warranted.

Above corrective measures are to be taken immediately and compliance is to be submitted before 08-03-2013.

This letter is being placed on intranet of MSEDCL and no hard copy will be sent to any office.
