Sub: Wrong utilization of the services of Jr. Technicians.

It is seen from the report generated from the HRMS System that,

- 1) Offices under your Zone shown in the appended statement have utilizing the services of Jr. Technicians sanctioned for the offices of other establishments. In short, these offices are utilizing the manpower in excess to the sanctioned posts of their establishments and the salary & wages are drawn by creating Surplus Positions. The said situation indicates vacancies of Jr. Technician in one establishment and on other hand it creates Surplus Positions for drawl of salary of excess Jr. Technicians which is not at all desirable. Moreover, it is a sheer misuse of the available manpower as well as misuse of the provision of Surplus Positions. It is, therefore, decided to curb the undesired practice of creation of Surplus Positions by bringing it to Zero level. Therefore, it is advised to post the Jr. Technicians only where the posts have been sanctioned.
- 2) Though the vacant posts of Jr. Technicians are available at the same establishments, the Jr. Technicians have been tagged ^{to} the Surplus Positions. This is resulted in unnecessary blocking of Surplus Positions. Such employees must be tagged to the regular vacancies and Surplus Positions must be kept vacant. These instructions should be adhered immediately.

- 3) The Division/ Circle Heads may be directed to transfer such personnel against available vacancies under their control or you may transfer such personnel out of present Division/Circle, if circumstances warranted and keep the tab on the Surplus Positions at Zero level.

The above corrective measures are to be taken immediately and compliance is to be submitted on or before 08-03-2013.

This letter is being placed on intranet of MSEDCL and no hard copy will be sent to any office.
